Personal Statement

Front End Developer with 1 year of experience in designing and developing user-friendly, responsive websites. Proficient in HTML, CSS, JavaScript, React JS, and Bootstrap, with a strong ability to collaborate with cross-functional teams to deliver high-quality web solutions. Passionate about learning new technologies and applying them to solve real-world problems.

Technical Skills

- **Front-End Development:** HTML, CSS, JavaScript, React JS, jQuery, Bootstrap, Tailwind CSS
- **Version Control**: Git, GitHub
- **Other Tools:** Responsive Design, Web Performance Optimization

Work Experience

Web Developer | Hi-Techsters IT Services Pvt Ltd | Hyderabad, India | August 2023 – October 2024

- Developed responsive and user-friendly websites
- Ensuring seamless integration of visuals and functionality by collaborating with backend developers and designers.
- Updated website content and features as per client requirements
- Monitored website performance
- Attended client meetings to provide updates and gather feedback.

Professional Projects

🔗 **PiDatacenters** (PHP, JavaScript, Bootstrap)

- Developed and maintained responsive web pages using PHP and Bootstrap, ensuring compatibility with legacy systems.
- Optimized form functionality and email delivery systems for reliable client communication.
- Redesigned outdated pages while preserving backend integrations and business logic.
- Conducted performance audits to identify and resolve frontend bottlenecks.

🔗 **Pi Cloud** (Laravel, Tailwind CSS)

- Built modern, interactive UI components with Laravel and Tailwind CSS.
- Collaborated with designer (client) to implement UI/UX updates.
- Performed speed optimizations through asset compression and caching strategies.

Common Responsibilities:

- Attended weekly client meetings to align updates with business goals.

Education

Bachelor of Science (B.Sc.) in Mathematics, Statistics, and Computer Science
Government Degree College, Autonomous | Siddipet, Telangana, India
🗓 **2019 – 2022**
